

WATER NEWS

Water deliveries to Rio Bosque Wetlands Park from the adjacent Roberto Bustamante Wastewater Treatment Plant ended Feb 4. Within 2 weeks, park's wetland cells were dry. Thanks to our 2 wells, water continued to flow the length of the old river channel within the park. On Mar 26, things got wetter when the park began receiving its first delivery of irrigation water for 2018. Since then, we've been able to flood
